

Forte Introduction

Let me begin with a couple questions:

- Is disorganization making you feel overwhelmed and stressed?
- Do you wish you could lead a more peaceful life free of clutter?

If you answered yes to either of those questions, then you are in the right place!

Our speaker today has helped thousands of people organize their lives through her seminars, consulting, newspaper column and her inspirational book.

When she isn't working, she is a busy mom to five children, and enjoys spending her free time camping.
